A LIL' HISTORY

Chilleen's on 17 originally opened as Kid Chilleen's Bad ASS BBQ and Steakhouse in February of 2003 by Scott and Donna Chilleen. After many ups and downs Scott and Donna along with daughter Aleah, contacted Spike TV's Bar Rescue in hopes that they could save an almost Bankrupt business. Well they did! Bar Rescue came to the little town of Black Canyon City in late January of 2013. After five days of filming, remodeling and staff re-training Kid Chilleen's reopened, as Chilleen's on 17. If you wanna check out our episode look up Bar Rescue Season 3 episode 9, "A Horse Walks into a Bar."

Yes, a horse really did walk into the bar but no Motorcycles or horses have been in the bar since! Since the episode a lot has changed around here! We started our wedding venue out back, have done quite a bit of remodeling and have continued to make Chilleen's on 17 the best
