WE THINK IT'S IMPORTANT...

...for you to know what we stand for.
The following are our thoughts on what Hickory Tavern is all about.

OUR THOUGHTS ABOUT OUR FOOD

FRESH. That's really important to us. Our beef and poultry is never frozen. Our burgers are hand patted. Our wing sauces are house-made. We hand bread our chicken tenders. We offer fresh butcher-cut steaks. We use proprietary seasonings. Our produce is crisp. We source local and regional products when suitable and affordable.

OUR THOUGHTS ABOUT OUR DRINKS

Cold beer is in our DNA. We're down with the local thing and support local breweries and distilleries as much as possible. We have just enough taps to provide a variety while at the same time keeping our beer fresh. Creativity is important in a good cocktail. The old standards are timeless. We hope you're surprised by our wine list. Don't forget to ask for a Schmekel!

OUR THOUGHTS ABOUT OUR MUSIC

We are HUGE music fans! We believe music sets the tone for a fun and energetic visit. Our playlists are one-of-a-kind. We hope you'll enjoy the diversity. Oh yeah, our volume knob is broken. It only goes up from here.

OUR THOUGHTS ABOUT OUR SPORTS

We show ALL the big games - we listen to SOME of them. See "Our Music" above. If you have a game you would like us to show, please let us know. We will always do our best to accommodate guest requests. We love Game Days!

OUR THOUGHTS ABOUT OUR LOVE OF SERVICE

We believe that serving our guests is an honor. We work very hard at providing service that exceeds your expectations. If we fall short in any way please let us know, we'd love the opportunity to fix it.
