

We hope you enjoy reading our wine list as much as we enjoyed creating it. The Mediterranean features many interesting wine growing regions, most with their own indigenous varieties: Crisp Assyrtikos, Moschofileros and Xinomavros from Greece, Luscious Garnachas and Monastrells from Spain, California style wines from Israel and glorious Rosé from Provence. Please do not hesitate to ask for suggestions.

## SPARKLING

				
Reyes de Aragon Cava Brut Nature	Spain		8	32
